ALBANY'S HISTORIC WHALING STATION

ALBANY'S HISTORIC WHALING STATION AT DISCOVERY BAY

BRINGING STORIES OF ALBANY'S DIVERSE HISTORY TO LIFE!

Enjoy one of the best days out in the region.

MUSEUM & GALLERIES

Visit one of our many museums and galleries to view genuine artefacts and memorabilia. See marine art and delicate whale tooth scrimshaw.

100's of historical objects on display.

SPEND A DAY

Relax in our picnic areas with free BBQs and children's playground, or share a lunch in our seaside cafe. Look out over the stunning bay from one of our whale watching lookouts, and finish the day with a visit to the fascinating gift shop.

Relax and enjoy the stunning view.

TOURS

Join us on a guided tour of the whaling station led by one of our passionate and knowledgeable guides. They bring the stories of the whalers to life through treacherous tales of a bygone era. Re-trace their footsteps and share their journey.

Tours run daily and commence every hour from 10am to 3pm.

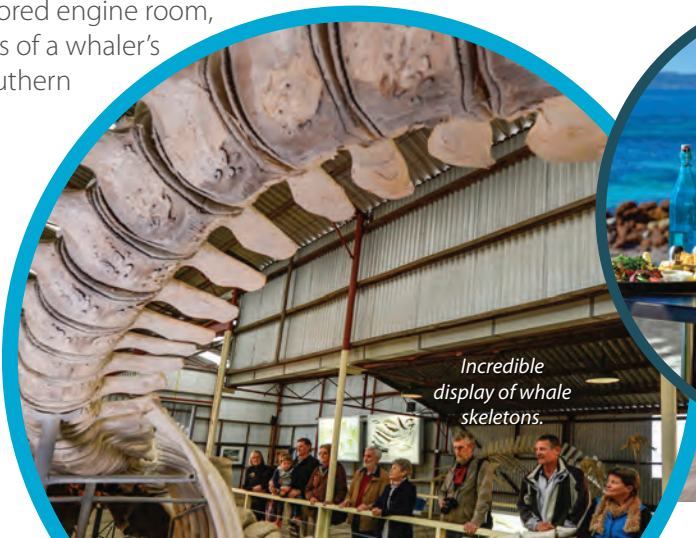

Climb aboard and explore!

THE CHEYNES IV

Explore Australia's last whale chasing ship, including the newly restored engine room, and experience the perils of a whaler's daily life at sea in the Southern Ocean.

GIANTS OF THE SEA

See Australia's largest marine mammal skeleton display, including one of only 21 Blue Whale skeletons in the world.

Incredible display of whale skeletons.

REGIONAL WILDFLOWER GARDEN

In spring our gardens come to life with a spectacular display of wildflowers. Follow the boardwalk trail to discover more about our beautiful flora and endangered species.

Spectacular display of wildflowers.

AUSTRALIAN WILDLIFE PARK

Our Australian animals are always on show with our volunteers close by to make sure you get up close and learn about the animals. Sit with our kangaroos in their grassy playground or see your first wombat.

Meet our friendly native animals.
