I wish to authorise the purchase of services (domain name, hosting and Weebly registration) from Sites in Style using this Credit Card Authorisation Form. I agree that I will pay for this purchase and indemnify Sites in Style against any liability pursuant to this authorisation.

WEB DESIGN SPECIFICATIONS

This job spec is only a guide for the designer, all work is completely customised to your requirements.

Background: briefly describe the type of background you would like for your website . . .

Consider aspects such as - colours, themes, patterns, images, light, dark, plain, bold

Content: briefly describe your content area . . .

Consider aspects such as – page width, colours, borders, images, blending with background etc.

Layout: briefly describe the layout you would like . . .

Consider aspects such as – logo: colour, size, position, slideshow, headers, footers, text position etc.

Examples: please provide examples of websites you really like or want to compare to . . .

Provide as many links as you wish, there may be only one thing you like on a variety of websites, be as descriptive as possible.
