

Are You Outstanding?

- ❖ Are you a leader in your field?
- ❖ Do you rely on first impressions? Did you know that first impressions are often formed within the first 30 seconds of meeting someone.
- ❖ Is your vehicle an important tool in your business? Is it something your clients see, sit in or follow?
- ❖ Does your vehicle get exposed to harsh environments, sand, salt chemicals, building sites and harsh sun the list goes on.
These things can literally eat away at your vehicle which costs you more in upkeep and when it comes time to sell not to mention the deterioration in appearance.
- ❖ When you spend time in your vehicle would you like it to smell and feel clean while looking its absolute best? We can't have a brand new car every couple of weeks but you can have a car that looks, smells and feels like you drove out of a showroom.

Even the *oldest* vehicle can gain a *new lease of life* with a treatment, from....

Gleam On Detailing

Call **NOW** to bring your vehicle or fleet to their gleaming best and arrange a fantastic ongoing treatment package.
