

# DSP Cleaning

## 1. WHY DSP Cleaning

*Our Mission is to provide efficient cleaning services with the highest quality and responsibility to satisfy all needs of our clients. And to promote reliable and long term relationships with our clients*

*Our Vision is to be recognized as the leader in providing cleaning services in Australia, always generated confidence in our customers.*

## 2. Cleaning service model

### 3. Specialised Services

#### **COMMERCIAL CLEANING**

DSP Cleaning Services specialists know the importance of well-maintained, spotless and fragrant office areas. Consequently, our office programs are devised using special checklists to make sure that no detail is left out. Our basic regular cleaning routine includes: mopping of all types of floors, carpet vacuuming, wiping of all surfaces, litter removal, computer and telephone

#### **RESIDENTIAL CLEANING**

DSP Cleaning Services offer a personal and professional cleaning service for residential properties. We are part of the community, so we believe building relationships with our local area is important. DSP Cleaning Services take great care and have attention to detail so that you are provided with only the best quality finish.

#### **CONSTRUCTION CLEANING**

Post construction cleaning services in South Florida is one of the most in demand business in the area. All that dust and dirt the construction caused, the wasted materials, excess cement, broken and unused building parts could end up as a mountain of garbage. Cleaning all of the garbage can be stressful to your workers.

#### **BUILDING MAINTENANCE**

DSP Cleaning Services is our in-house cleaning company that takes care of your needs. We provide our customers with pleasant and professional cleaners. From the underground parking lot to the top floor, our staff will assure that the job is done right each and every day.

## CARPET CLEANING

Commercial and Residential Carpet Cleaning – Steam Cleaning, Deodorizing & Sanitizing. Are your carpets looking their best? If they're not, perhaps you should take a look at the difference our team here at DSP Cleaning Services can make. We have expert knowledge in how to bring back the life in tired looking carpets!

## FLOOR CARE

When stripping and waxing a floor, we pay special attention to the edges of baseboards and corners, so that your floors will look like they were detailed by a professional. Nobody will clean your floors more thoroughly than our technicians. We only use professional commercial grade floor finishes that are designed to last longer.

## PRESSURE CLEANING

We offer almost every exterior cleaning option you could ask for, including those that are normally impossible without the heavy equipment we have access to. We offer some basic services that any business could take advantage of such as general exterior cleaning and pressure cleaning. Our pressure cleaning services include the option for hot water!

## STRIPPING AND WAXING

Vinyl, linoleum, wood, or stone floors can be extremely durable and long-lasting if you maintain them properly to preserve their resilience and brilliance. Austral Cleaning strips, refinishes and seals all types of floor surfaces so that they maintain their new appearance.

## TILE FLOOR CLEANING

Tiled floors need to be maintained to remove the dirt and grime build up in the grout joints and also on the tile surface (particularly textured tiles). DSP Cleaning Services have introduced the turbo cleaning system, an extremely effective method of cleaning tiled floors using specialized equipment.

## WINDOW CLEANING SERVICES

The DSP Cleanig Services has been the premier window cleaning service in South Florida. You can depend on every window cleaner to provide top quality service whether your project is residential, commercial, or industrial. Our professional window cleaning services are performed by the most reliable, practical, and professional crew in the business.

## WOOD FLOOR TREATMENT

The cost of installing a wood floor does not allow a home owner to neglect regular maintenance. DSP Cleaning Services specializes in wood floor maintenance to enhance your floors appearance and to maximize the life span of your natural surfaces.
