BUILDING DESIGNS

Hi my name is Mark Zanos, I am a local Building Designer servicing the south-west. If you are considering a construction project at your property, the chances are you will probably required a building permit, in some instances a planning permit too. As a registered building practitioner I can assist you through the process, providing advice, concept designs and relevant drawings to obtain permits.

my other services include;

- ◆ *New homes*
- ◆ *Extensions / Renovations*
- ◆ *Multi Unit Developments*
- ◆ *Commercial & Industrial projects*
- ◆ *Bushfire Assessments*
- ◆ *Cost effective, energy efficient designs*
- ◆ *Advanced 3D modelling for realistic outcomes*
- ◆ *Over 15 years industry experience*
