M. Christine Chouquet

*Passion and purpose are my two key words. I am passionate about informing and educating women on the numerous benefits of using a natural organic skincare products, adapted to skin type, products that reflect the adage "what you put on your skin should be good enough to eat". Along with this I am committed to supporting important lifestyle changes that are vital for our wellbeing, and the protection of our beautiful planet. A passionate practitioner of Bio-Energetic medicine and Morphopsychology, I believe in the profound impact of positive and focused thinking on our being. As Albert Einstein said: "The World we have created is a product of our thinking. It cannot be changed without changing our thinking..."*

## ENERGETIC HEALTH ASSESSMENT WITH NES HEALTH

*NES HEALTH puts people back in control of their Healing Journey and supports them on their way to perfect health and conscious well-being through ENERGY and INFORMATION. The NES HEALTH program is pain free and is a revolutionary approach to evaluating and promoting wellness; it is supported by a range of informational and nutritional supplements (Nestrition with Nes Infoceuticals.)*

**\$130 first treatment**

**\$80 ongoing subsequent treatment**

**Infoceuticals: \$25 each**

## SCENAR THERAPY

*SCENAR® is an advanced form of electrotherapy and may be effective in treating acute and chronic pain. SCENAR® therapy functions on two physiological principles: that the body has its own healing capabilities and that it is continually employing processes of self-regulation to maintain health. The SCENAR® is a hand-held, therapeutic medical device, listed for use to alleviate pain and facilitate functional restoration and improvement.*

**\$ 60 first treatment**

**\$ 50 ongoing subsequent treatment**

## MORPHOPSYCHOLOGY

*Morphopsychology is a field of alternative science that proposes a correspondence between human facial morphology (the shape and configuration of the face) and individual personality.*

*"Know yourself with Morphopsychology, and be free to be who you are."*

**What is revealed by the face?**

- Our thinking, communication, and action style
- Fulfillment realm: intellectual, social or physical
- Adaptation and innovation abilities
- Team and independent work aptitudes Manual or physical abilities
- Challenges needed in order to activate our resources
- Areas of personal development
- Profound motivations
