15th February 2012

Dear Valued Client,

This is a letter of introduction to our company Tarbcon Pty Ltd and to offer our specialised services to your company.

Tarbcon Pty Ltd is a well known transport company specialising in transportation of Structural Steel, Earthmoving Plant, Over-Dimensional Loads and General Freight. Recently established in 2010 with a Brisbane depot at Beaudesert Rd, Coopers Plains, the company has been strategically based to service the Building, Civil and Mining Sector located within Queensland, but also having the capabilities to service Australia wide.

The Tarbcon Transport fleet offers Trucks, Extendable Trailers, Standard Trailers, Drop Decks, Drop Deck Expendables', Low Loaders/wideners, Side Tippers and Water Cart Hire as an all encompassing service to our clients. The company carries full marine/transit insurance and all our trucks and trailers are equipped with protection aids including timbers, bolsters, frames and platforms to protect those irregular/precious loads.

Company Director Cliff Tarbotton is a hands-on operational logistics manager. When you are dealing with Tarbcon you are dealing with the owner of the business and all clients will receive a personalised service to meet their demands.

We continue to build the most qualified, service focused Transport Company throughout the nation.

Tarbcon would welcome the opportunity to meet and discuss any of your projects transport requirements offering very competitive rates either on a contract basis or an hourly rate.

Yours faithfully

Cliff Tarbotton
0400 023 622
