AUTHENTIC BRICK AND MORTAR STYLED EDGING

## KWIK KERB® EUROBRICK® EDGING IS THE HOTTEST PRODUCT IN LANDSCAPE EDGING TODAY!

Put shape, colour and contour into your landscaping with exclusive Kwik Kerb® Eurobrick® concrete edging. You can enjoy the benefits of a truly unique concrete edging installation:

- ▶ Eurobrick® is a superior edging product exclusive to Kwik Kerb®.
- ▶ Quick to lay. Most domestic jobs are finished in a day.
- ▶ Textured, multi-coloured concrete edging that simulates the appearance of real brick with cement mortar joints.
- ▶ Many natural colours available to suit your existing landscape features.
- ▶ Unique, hand-finished edging that provides individuality and practicality to your landscaping.
- ▶ Strength and durability of extruded concrete.
- ▶ Compliments your existing brick and/or pavers.
- ▶ Turns your garden into a showpiece by adding visual appeal and the lasting quality of Kwik Kerb® edging.
- ▶ Add prestige and value to your property.
- ▶ Minimises water use by retaining mulch where it is needed.

### EXCLUSIVE KWIK KOLOR FINISH

Kwik Kerb® Eurobrick® edging uses an exclusive Kwik Kolor process to create a prestigious, long lasting and visually appealing finish. Kwik Kolor is superior to painted finishes. It is harder than concrete and it is sealed to give a durable, stain resistant and attractive finish to the edge.

### RE-COLOUR YOUR EXISTING EDGES

Is your existing concrete edging looking tired and faded or are you just sick of the colour? No problem! Kwik Kerb® can re-colour your existing concrete edges and give them the latest highly durable Eurobrick®, Eurostyle® or plain colour finish.
