# BEACON FAMILY LAW

## Do you need family law advice?

Choosing the right family lawyer for you is an important decision. You need to have confidence in your legal team.

## Beacon Family Law

Beacon Family Law is a small family law practice where it's all about being:

- Accountable
- Approachable
- Affordable

Family Law is all we do, day in day out.

Being small, all our clients receive friendly and good old fashioned personal service. All files are conducted personally by the principal. You can be sure that we will get to know and understand your case.

Unsure of whether you are getting the right advice take advantage of our:

- Reduced fee initial consultation; or
- Brief free initial telephone consult.

Phone us on **(08) 9328 4646**

*"We have helped hundreds of people resolve their family disputes."*

## Family Law is Our Focus

Beacon Family Law was established to provide family law advice and representation solely.

The firm does not provide advice in other areas of law because the firm is committed to being ahead when it comes to resolving your family law issues.

Family law disputes can be complex legally and emotionally, which is why the firm practises exclusively in family law.

Sometimes family law disputes can involve complex commercial or accounting issues.

Beacon Family Law has close ties with other professionals who can assist to resolve these issues.

*"Nine times out of ten we have seen the problem before."*
