Skip Hire Convenience & Great Prices

Trailer Trash mobile skip bins have advantages over regular skips, but they also have advantages over junk removal services.

Our bins have lockable lids, they are gentle on driveways, and if parked in the street don't require a council permit in most cases. And because we have more efficient means of transport and disposal, they cost less.

3m3 Skip Bin from only \$349

4m3 Skip Bin from only \$369
