## DERMAL WRINKLE FILLING AGENTS

Procedures performed by Doctors who own and run the practice, in a caring approachable atmosphere.

One of the first Doctors to use Intense Pulsed Light in Perth and featured on National Television for this and other cosmetic treatments.

Members of multiple overseas and Australian societies, including CPSA, ASLMS, ACCS, FRAGP, Laser certified (SCGH), CPSA past president and Liposuction guidelines co author.

Doctors frequently attend national and international conferences and are fully insured for cosmetic procedures.

Complimentary nurse consultations available. All appointments with a Doctor attract a fee.
