

## Price-List

*This Price-List should give you a roughly idea about the upcoming costs for certain things, but as you know there will be always things we can only quote for you if we sight them.*

### Custom-Builds:

There're two ways to get a custom build computer system:

- 1.) BYO-Parts and we will charge you for putting the whole system together (no water-cooling-system !) (no Software !): **\$125.00**
- 2.) You tell us your computer needs and we give you a quote for it.  
If you're happy with the quote, you have to pay upfront for the parts only and as you pick up your computer we will charge you the service fee extra (no water-cooling-system !) (no Software !): **\$150.00**

### Windows-Installation:

If you need a new Windows-Installation for your new or existing system and BYO Windows- / Driver-Disks and your system supports the Windows Version you wish to be installed, we will give you a fully up2date system for: **\$125.00**

### Office-Installation:

If you need a new Office-Installation for your new or existing system and BYO Office-Disks and your system supports the Office Version you wish to be installed, we will give you a fully up2date system for: **\$75.00**

### Pick-Up & Drop-Off:

If you wish us to pick-up & drop-off your system / parts, we're able to do it for as little as (Brisbane-Area): **\$25.00**

You're welcome to drop-in / pick-up your system / parts yourself.
