

INFINITE EDUCATION

WHAT WE OFFER

Infinite Consulting introduces a new division **INFINITE EDUCATION** Canberra's newest state of the art computer training room, meeting & conference facilities at the edge of the city.

When training is conducted in a formal class room setting, we understand that the specifications of the equipment must be the best available possible.

Participants need an environment that is conducive to successful training. Our offering of the best training room facilities in Canberra is based on:

- Modern, comfortable ergonomic seating for up to 16 participants plus trainer
- A flexible floor plan
- i7, 16GB RAM, 21.5" Monitors, 1TB Hard Drive
- 2 Servers, high spec and high storage capability
- Smartboard with data projector & whiteboard
- Breakout room with smart 42" TV monitor capabilities
- WiFi & high speed internet
- Full kitchen with fridge, microwave, espresso machine, dishwasher, etc.

Infinite Education also offers a Meeting Coordinator as one point of contact from start to finish & technical support for our infrastructure.

The training room is set up as per your requirements and an introduction to our facilities maximises the technology and facilities available to you.

Training room hire includes the use of all equipment listed and can also be hired without the computer equipment.

MULTI PURPOSE

Our Infinite Education computer training facilities are multipurpose and are suitable for an array of uses, including but not limited to:

- Meetings & conferences
- tender evaluations
- business seminars
- board meetings
- product launches
- team building
- media conferences
- group inductions

CATERING

We include catering for morning tea and all day refreshments include espresso coffee, tea & filtered water which are available in the fully equipped kitchen.

Lunch and afternoon tea can be arranged at your request.

OUR PARENT COMPANY

INFINITE CONSULTING is a technology based contracting and employment organisation with a reputation for integrity, maximising value and excellence in management.

We provide ICT resources to organisations that share in our values of teamwork, high professional ethics and a commitment to delivering quality results.

Infinite believes in partnering with clients to produce an outcome that makes economic & business sense.

- Premium ICT service
- Federal Government specialists
- Locally owned and operated
- Contract and permanent resources

We sincerely hope that you find our new training facilities as exciting as we do, and thank you for taking us into consideration for your off-site training courses.

VISIT US AT INFINITE EDUCATION

We would like to invite you to visit our state-of-the-art training facilities. Alternatively, we would be happy to arrange a suitable time to present our facilities to you at your premises.
