## ABOUT OUR COMPANY

Temperature Plus has over ten years of experience and continues to provide friendly and professional service to our customers. Our experienced team of tradesmen are neatly attired in company uniforms and treat your home as if it were their own from the start throughout to completion.

## WHY TEMPERATURE PLUS

By providing a service to design and install Heating & Cooling in your home or office, our team take the time to listen to your needs and recommend the right system for you.

## MANAGING YOUR COSTS

Our sales team will calculate your desired areas to heat/cool and provide you with the right sized system that will adequately be suitable for your home, office or building along with advice for how to successfully operate and maintain your system to help manage your costs.

## OUR SERVICES

Being specialists in Heating & Cooling options, we provide a free on site no obligation quotation and will provide you with specialised information for the best way to go about your Heating & Cooling needs.

We provide our services on commercial and domestic buildings and by contacting us, one of our experienced sales team will meet with you on site to discuss all valid options that will best suit your home, office or building.

## WE MAKE IT HAPPEN

We provide a complete service from the initial quotation until the completed installation to ensure each and every client is completely satisfied with the overall experience from Temperature Plus. You make the call, *WE MAKE IT HAPPEN.*
