## ABOUT US

The Boathouse Marina is the first of its kind in Perth – A fully undercover, enclosed dry boat storage facility and private marina located along Mews Road in the Fremantle Fishing Boat Harbour.

The founders of The Boathouse Marina wanted to offer the people of Perth a premium boat storage facility and a safe space for owners to store their boats away from the harsh elements and weather that can, over time, damage boats.

The Boathouse Marina offers storage racks that are entirely undercover and completely enclosed, ensuring that your boat will be protected from the sun, wind, salt and rain. Our boathouse marina is the most secure facility of its kind, with secure car parking also provided on-site.

Phone from home. Your boat's in the water within the hour.

The Boathouse Marina is the ideal place to store your boat all year round. We offer:

- ~ Fully undercover and enclosed boat storage
- ~ Protection from the sun, wind, salt and rain
- ~ Boat storage for vessels up to 34' long
- ~ One hour launch
- ~ 24 hour airkey access
- ~ Shower and toilet facilities

We can also provide the following services:

- ~ Rope splicing
- ~ Detailing and cleaning
- ~ Mechanical
- ~ Trimming
- ~ Fibre Glass Repairs
- ~ Skippers
