Sex on the Beach Peach, Lime and Triple Sec... Its a great party drink! The name says it all...

Coyote Ugly A delicious drink which will get you into the swing of things. Made with Mango juice, Passion-fruit, Black Currant and Vodka.

Mojito A Mojito is made of five ingredients: white rum, sugar, lime, sparkling water and mint. This Cuban recipe uses spearmint a much lighter mint variety very popular on the islands.

Lemon Margarita A mythical cocktail with roots in Mexico that has been blended for over 70 years and is a must for all parties. Made with Lime Juice, Lemon Juice, Triple Sec and Tequila.

Strawberry Margarita This cocktail has delicious fruity taste and is the perfect balance of sweet and sour. This cocktail is ideal for a romantic summer evening.

Melon Margarita Frosty-cold frozen margaritas with melon and fresh lime juice a perfect cocktail & completely refreshing. A wonderful way to enjoy summer.

Toblerone This cocktail is a pretty drink with a dangerously tasty profile. Not quite coffee, this cocktail has the taste of a mocha latte with slight hints of hazelnut with a creamy texture and is pure heaven.

Mudslide Spoil your self, Rich, smooth and creamy, just like frozen Baileys in a glass...

Kiwi Kiss Kiwi fruit and pineapple come together in this delectably crisp cocktail.

Melon Mist (Illusion) This sweet Melon Flavoured drink is another delightful and colourful cocktail and is very popular in bars. Made with Honey Dew Melon, Pineapple Juice, Vodka Rum and a hint of Cointreau.

Melon Spice To "splice" something means to join or unite it with something else, achieving a perfectly balanced union of coconut-flavoured rum, pineapple juice and cream.

Caribbean Crush Caribbean Crush can get you into a serious coconut and pineapple mood. Add a little pineapple for a garnish and you have a drink that recalls the warm breezes of the Caribbean Islands.

Jungle Juice Jungle Juice is NOT for beginners, it's fruity and tasty but will definitely have you waking up to the ugly girl/guy you thought was really hot last night.

Singapore Sling Developed by Ngiam Tong Boon a bartender working at the Long Bar at the Raffles Hotel in Singapore before 1915 with grenadine syrup, gin, sweet and sour mix, club soda and a hint of cherry brandy.

Kamikaze The Kamikaze cocktail is named after the Japanese kamikaze suicide pilots of World War II. The name probably comes from the drink's usual effect on its drinker, caused by a high but well-masked alcohol content, coupled with a tendency to drink them as shooters.

Red Gladiator Energy Freeze the power to keep you going all night.

Bourbon Cola Not Really a cocktail... But a great one to keep the guys happy..

Jacks Cola Do we have to say anything... Just for the Jacks Lover
