

Meet Our TRADERS

Work Hire Australia would like to introduce their new management team to the people of Sale and district.

Jodie Willis, manager, has worked across a number of industries including petrochemical, telecommunications and tourism.

Her roles have included marketing, logistics, procurement and supply chain giving her a strong understanding of the skills looked for by Work Hire clients.

Julie Cockman, recruitment and administration, has developed customer rewards programs, managed offices, worked in real estate and met customer deadlines in a consulting engineering company.

Work Hire provides staffing solutions for businesses throughout Gippsland.

Their current and past clients include the Department of Sustainability and the Environment, ESSO, Southern Rural Water and Wellington Shire Council, Work Hire prides itself on finding

the right person for your business whether it be a short term contract or a permanent position.

Work Hire was established over 20 years ago when it was identified that Gippsland was lacking recruitment expertise, particularly in specialist industries such as the oil industry.

Driven by their commitment to the community and a passion for providing clients with the right staff for the job, part of this commitment is ensuring their clients receive a high level of service at all times right from the first enquiry.

Work Hire office hours are from Monday to Friday, 9am to 5pm; however, clients have 24 hour access to their recruitment staff.

So if you're in need of the right person for any job, contact them on 5144 7488 or call into their office at 98 Raymond Street, Sale.

They would love to help.
