About CANTEK

As a professional manufacturer of printer consumables, **Cantek Industries Limited** keeps serving its worldwide customers and partners with full range of printer supplies.

CANTEK focuses on the consistent investment in R&D and OEM service. Outstanding control of cost and quality enables CANTEK to expand its sales network from Chinese local market to global export and distribution.

CANTEK keeps raising its integrated competitiveness in the printer supplies industry by optimizing all of its resources. Nowadays in Chinese market, CANTEK has created the brand **Printech** and developed distribution & after-sales network in more than 30 cities. CANTEK has set marketing & operation branches in 6 major regional cities of China. While in overseas market, CANTEK has expanded export to over 50 countries.

CANTEK values the mutual development with clients by creating and offering excellent image print quality, professional service and the best price performance.
