

Why choose Express and Earthsafe?

	Express	Our Competitors
1.5 times the treatment capacity of competitors. Our systems are rated to treat 3000 litres / day as compared with most that are less than 2000 litres this ensures fully treated wastewater even when visitors come over.	✓	X
Largest capacity. The systems we install are the largest volume injection moulded polymer tanks available	✓	X
Multi Chamber system includes 5 different treatment chambers including two clarifiers meaning safer cleaner water.	✓	Most only have one clarifier
All Metal Fittings are 316 grade stainless steel	✓	Most use galvanised that rust.
ES D10 Has full Queensland state approval and can be installed in all council areas	✓	Not all systems have full approval
Blower only 58watts	✓	Most are 80 watts which cost more in electricity.
Trouble free wastewater solutions we handle your wastewater installation every step of the way. From initial planning, council approval, installation (including plumbing, electrical and excavations), clean up of the site, commissioning of the system and servicing once it's all complete.	✓	Most don't have the team or the experience to organise the whole thing.
Installs performed by a licensed plumber don't risk your insurance we are licensed professionals and all workmanship is covered by the 6 year BSA warranty.	✓	Many install companies are not licensed plumbers.
Expert team all that our experienced wastewater team do is wastewater, we install and service treatment plants and trenches. Because our team does this sort of work every day everyone from the plumbers to the excavator driver and the electrician are experienced professionals that can handle your installation.	✓	When you get a regular plumber that doesn't do wastewater all the time and cost can blow out and quality may suffer.
Free Drain Camera Inspection we will check your drain for subsidence where it enters the tank once every year when you are one of our service customers.	✓	X
24/7 Breakdown service when you are with Express you know you have someone to call that can solve your problem any time day or night	✓	Most don't
We turn up on time or the first hour is free with Express you know that you won't be waiting around all day for an installer.	✓	X

X - We could not find any other company that offer this service.
