HARAJUKU GYOZA™

Welcome, Customer-san!

You are like a hungry salaryman in a Japanese izakaya.*
 You are thirsty and your appetite is big like Godzilla.
 Time to order food. Don't be shy.
 Order again and again. Share with your friend.
 That's how to make Harajuku Gyoza yum and fun.

Try grilled gyoza. Try poached gyoza. Say hello to yum side dishes. Shout out for yum don and ramen. You love it? We love that you love it. Our chefs work hard in our kitchen all day to hand prepare our menu. We always ask local butchers and green grocers what's in season and what's fresh. It must be perfect or we get your sad face. We want your happy face.

DIPPING SAUCE? Your recipe.

(Or do what our chefs do: mix 2 parts soy sauce, 1 part rice vinegar, and chili to taste.)
