

## PORTFOLIO OF RECENT CHILD CARE CENTRES COMPLETED

### 228 BILLINGHURST CRESCENT, UPPER COOMERA QLD – 150 PLACE CENTRE

Built to a turn-key finish, this 150 place double centre incorporates 11 activity rooms and 3 babies sleep rooms, 53 space car park with 2 x bio-retention and detention tanks, complete landscaping including artificial turf, rubber soft fall, shade sails and play equipment.

**38 WOODLANDS DRIVE, BANORA POINT NSW – 75 PLACE CENTRE**

**This project was the third centre built for the same client. Designed and built to a turn-key finish. This two-storey centre incorporates 4 activity rooms and a babies sleep room, 13 space car park, landscaping with artificial turf and rubber soft fall, shade sails and play equipment.**

**18 ALBERT ST, GOODNA QLD – 75 PLACE CENTRE**

**This project was referred to Jorgensens from a previous client. New to child care, the owners worked with us to redesign portions of an existing building approval to meet their budget. Built to a turn-key finish including landscaping, 22 space car park, bio-retention and complete internal fit-out. It came in on budget and 8 weeks ahead of contract schedule.**
