Piccos kitchen is open for breakfast, lunch, coffee, homemade cakes, dinner, pizza, takeout and catering.

Our aim is to provide tasty whole foods, sensational coffee, traditional pizzas and gourmet treats that you can enjoy in our café or to take home.

We take a lot of pride in our food and do our best to source the best possible local fresh produce. Our café dinner menu changes daily ensuring only the freshest of ingredients, some of which are grown by us with lots of love. We focus on using whole foods and organic produce in many of our home made treats.

We only use free range eggs, our breads include a selection of sourdoughs, our pizza bases are made with organic olive oil and rolled to order and our coffee has been selected from the local artisan coffee roaster, Rubra.

Piccos kitchen - a great place to meet.... come and enjoy great food and great coffee
