

# Who We Are!

It's all about what we do and how we do it!

Belair Plumbing is a licensed and insured local company which specialises in Heating, Ventilations & Air Conditioning (HVAC). We also offer a variety of plumbing services including: fixing water leaks & burst pipes, repairing/installing toilets and taps, hot water units, ducted heating, service maintenance and gas fitting. Belair Plumbing can do any job you need at a competitive price. So meet our team with over 17 years experience. Why call anyone else?

## **EASY SCHEDULING**

From large scale installations and renovations, to small repairs and replacements, Belair Plumbing always delivers excellent plumbing service and craftsmanship. We guarantee the best quality of work, an unrivalled expertise of the plumbing industry, and a level of customer service unmatched by anyone.

## **24 HOUR SERVICE**

Let us figure out what needs to be done — and we'll keep you in the loop. As a full-service plumbing contractor, we're proud to guide our clients through every step of the maintenance or repair process. From helping you pick the best bathroom fixture, to fixing an emergency leak in the middle of the night, we're here to help.

## **SAME DAY SERVICE**

Belair Plumbing never leaves customers alone when dealing with plumbing issues. Whether you need help with a renovation project, or have a plumbing emergency, we are here to assist you. We guarantee expert, lasting quality and affordable prices for all of our plumbing services. Call us today for assistance.
