

My Flex Health

About Us

As the largest owned and operated West Australian healthcare company, [My Flex Health](#) is dedicated to serving you with professional healthcare solutions. We specialise in providing a high standard of in-home care to residents in Perth. Our personalised care, flexible options and domestic services are here to offer you convenience and peace of mind.

Additionally, My Flex Health provides staffing solutions to healthcare facilities across Western Australia. As well as that, we offer variety of nationally recognised training courses and short non-accredited training courses in aged care and health services.

Allow My Flex Health to cater to your healthcare needs.
