## c o b i retail design

Renovating an existing retail space?  
Wanting to start a new one?  
Need building or council permits?

c o b i - retail design is a Melbourne based design firm that specializes in retail tenancies. Whether it be a boutique clothing store, restaurant, food kiosk, news agency, we do it all. At c o b i - retail design we can take care of the entire design process. This includes a full design package; a full set of drawings including a floor plan, elevators, reflected ceiling plans, 3D conceptual drawings, finishes schedule, furniture specifications & all detailing.

We take care of all building permits, health department & town planning applications.

We have designed retail spaces nation wide & have done work for the biggest property groups, such as Westfield, GPT, Colonial, Lendlease, Stockland & many more.

Consultations are held at our Parisian design studio on Chapel Street - Prahran.

Please send us an email to schedule your consultation & we will be in contact! Free consultations until December 2018 & 10% off quoted price on design packages. Starting October 1st, we will also offer residential interior decoration & design services.
