

Base Pave NQ Pty Ltd

Pavement Construction

Base Pave NQ Pty Ltd has been established since October 2011, with over 20 years experience in road base paving. As a "Code Compliant" company, all works are performed under the relevant "State Awards".

Base Pave NQ uses State of the Art Equipment with an automated levelling system such as "Paveset" to achieve required tolerances for all pavement work carried out. Our ABG Titan 411 base paver has the ability to pave set widths from 4.0 metres to 7.5 metres wide. As a new company Base Pave NQ has been engaged in works for Cardwell Range Alliance, Aspic Infrastructure Pty Ltd (Ernest st Innisfail), Koppen Developments Pty Ltd (Butler St Tully) and VDM Group (Sandy Corner, Brandon)

Semi Tippers with experienced operators can be supplied to assist in smooth material delivery. Servicing Queensland and throughout Australia with all workmanship guaranteed.

We are currently refurbishing another identical machine that we hope to have operational by end of 2014.
