Mr Smokestack is a family owned and run wood fired pizzeria. All of our produce are of the highest quality. Virginia Ham, poached chicken breast, roast lamb, supreme salami and home-made pork sausage balls. All vegetables are bought fresh then roasted in our wood oven. We use only Extra virgin olive oil and make our own Napoli sauce which when used as a base, adds unique flavour to our thin based pizzas. Pastas and salads are made to order, making Mr Smokestack a healthy dine-in or take-away option that consumers have been asking for.
