

# Trophies, Awards and More...

Has your band started making arrangements for your Annual Concert?

With most bands using their Annual Concert to present awards such as “musicianship” or “most improved”, contact us today to discuss your requirements for trophies, medals, and plaques. We can even help with fund-raising with our promotional items.

## TROPHIES

We have a full range of trophies available from all leading suppliers. From basic participation trophies through to multi-tiered perpetuals, you'll be spoilt for choice regardless of the budget you have to work with.

## RESINS

Resin trophies come in many different styles and sizes. These are a great alternative to the standard trophies but with comparable pricing. Also, with new designs are introduced each year, there's always something different to put on the shelf to discern one year the other.

## MEDALS & BADGES

Medals are great as an affordable participation award or for special honour. Select from our range of off-the-shelf designs or talk with us about customising the design for you band.

## SHIELDS, BOARDS & PLAQUES

Shields and boards are all about proudly displaying the band's history. We have a range of standard shapes and sizes that can be laid out to your liking or we can custom-manufacture one. Plaques make a great award for individuals or thank-you gift to conductors and sponsors.

## PROMOTIONAL ITEMS & GIFTS

What better way to show patronage to the band than having something with the band's logo? We have a range of key rings, coffee cups, travel mugs, water bottles, mouse pads, steins and other items that can be etched or printed with your band's logo and information. These are great as membership gifts or can be used for fund-raising.
