

**Taking a closer look
Forensic Accounting**

Forensic Accounting Services

Taking a closer look. Lotus Amity provide financial clarity in disputes. We advise on quantum and provide expert reports on valuations, loss of profits, business interruption claims, personal injury claims, asset ownership and interpretation of financial information. Matters we can assist you in include:

- Family Law
- Shareholder & Transaction Disputes
- Damages & Loss of Profit Claims
- Fraud & Investigations

We act as an expert to the court, a shadow expert or assist in mediation. We understand the need for independence and our duty to the court. Our reports are comprehensive but understandable.
