

Cost-effective garden makeovers

If you're looking for a quality landscaper who listens to your needs and works within your budget, Peter Watt is the answer. He's not a celebrity (yet), but his standards are high and he has a true passion for quality. Everyone should have a great garden. Is your garden a place in which you like to dig and plant? sit back & relax? entertain friends & family? ignore? Peter will help you realise your goals. Or maybe you're looking to increase the value of an investment property? Peter can help.

Add value & elegance to your home

Whether you're planning to stay or looking to sell, the garden Peter creates for you will delight. If you're staying, there's nothing better than coming home to a beautiful landscape you can enjoy. If you're on the move, Peter can help maximise your sale result.
