

DOMINATOR SAFES

About Us

[Dominator Safes](#) is an Australian owned and operated safe company with a commitment to the superior design and supply of domestic, commercial and specialty safes. Our team have more than 40 years of combined experience in the security and safe industry which we apply to the manufacturing of our premium safes.

Products

We take our safe product development seriously, which is why years of extensive research is undertaken to expand our range. We cater to almost every possible application and requirement and we're committed to finding the best safe solution for our customers. Recent testing at international facilities has allowed us to achieve and apply high level certifications in both penetration resistance security and fire protection.

The range of safes we offer include:

- Fire-resistant safes
- In-floor safes
- Home safes
- Drug safes
- Commercial safes
- Firearm safes
- Deposit safes
- Safe locks & accessories
