

THE LOOK OF GLASS MADE AFFORDABLE

- Cost effective
- Low maintenance and easy to clean
- Grout free for a seamless finish
- Available in a range of designer colours

Reflections Splashback + Wall Panel is the latest alternative to glass splashbacks and is ideal for both residential and commercial applications.

This cost effective wall panelling solution is durable, easy to install and highly versatile. Reflections offers extra flexibility thanks to its ability to fold and bend to follow curves and corners therefore limiting joint lines for a seamless finish.

It can suit a variety of vertical applications and makes an outstanding statement in any room including kitchens, bathrooms, laundries and entertainment areas.
