## About Us

Affordable Plumbing Solutions is owned by Daniel Jones - a plumber who takes pride in every job he does - no matter how big or small.  
Our mantra is "do it right the first time and for a fair price".

We'll turn up at the scheduled time and not leave you hanging wondering whether we want the job or not. We will diagnose the problem and go about the work professionally and efficiently. All this helps us keep our prices competitive.

We do a variety of residential and commercial plumbing services including clearing blocked drains and sewers using the latest technology.
