

# Beach to Bush Pool Safe

## Checklist for your pool

### Gate:

- ✓ Your gate should open away from the pool
- ✓ The catch should be 1500mm from the ground.
- ✓ Does the gate self close?
- ✓ Are the hinges 900mm apart?
- ✓ Can your child climb/bounce/shake the gate open
- ✓ All fixings tight and secure?
- ✓ No gaps greater than 100mm in the fence
- ✓ No direct door/window access to pool.
- ✓ Fence free of sharp hazards and edges.

### Fence:

- ✓ Trees trimmed around fence with no climbable features?
- ✓ 300mm clear inside of fence and 1200mm clear outside of fence.
- ✓ CPR sign in clear view?
- ✓ Climbable items removed from near the fence – pot plants, steps, garden edges, etc.
- ✓ 900mm clear zones where one fence intersects another.

### Supervision:

- ✓ Always ensure a responsible adult in the pool enclosure.
- ✓ Always ensure a designated alcohol free zone in the swimming pool zone.
- ✓ Be aware of how many children.
- ✓ Do not encourage older children to be responsible for small children.
