

Guangzhou Ledylight Co.Ltd

Building A2, No.11,Kaiyuan Avenue, Science Town, Guangzhou, Guangdong, China

Post Code: 510530

Website: www.ledylight.com

Ledy light, with the amount of 120 million RMB registered capital, is a China based manufacturer and distributor of high quality **LED Lighting** products that are energy efficient and environmentally friendly. We specialize in providing LED lights that are direct replacement for the energy wasting incandescent and halogen bulbs and the mercury containing fluorescent lamps and tubes with our professional engineering team and well-trained staff. We are a certified manufacturer with **ISO9001:2008, CE, RoHS, FCC ,SAA, C-Tick , GMC, Qualified Supplier** etc, and we are also audited as Global Manufacturer by **TUV Rheinland**. Our competitive advantages are:

- 1) quality products with competitive price.
- 2) professional sales team and engineering team.
- 3) efficient production and fast delivery
- 4) excellent after-sales service and quick access to our technical support.
