

# URGENT MINE & RAIL FREIGHT

AUSTRALIA WIDE HOTSHOTS & GENERAL FREIGHT  
PERTH, WESTERN AUSTRALIA

Urgent Mine & Rail Freight is a family owned business that started in Feb 2001. Since that time we have proven ourselves to be professional, reliable and efficient in the needs of our clients hotshots.

We Fully understand the time critical nature of your freight and have great pride in being able to accomplish your delivery with drive and determination to get it to it's destination as quickly, but safely as possible. In most cases, we can be there for pick up with in the hour. Have comfort knowing we are fully insured with goods and transit ( \$1 million ) and public liability ( \$20 million ).

OWNER DRIVER KERRY BROWN

We also believe in doing the job right and doing it properly the first time. Our mission is to offer you a prompt, quality service that is very dependable. Please read our Testimonials to see what our clients think of us and the service we provide. Consider us for your next transport / hotshot needs.
