## Electrical Services

Local bondi electrician

### 24/7 Emergency Service

We are available 24/7 and offer a fast 2 hour response time to your emergency needs.

### Property Maintenance

We have various real estate maintenance contracts and are able to communicate with tenants in a no fuss way.

### Fault Finding & Investigation

We offer competitive hourly rates and communicate with you through the investigation process so that you know exactly what is going on throughout our investigations.

### Outdoor Lighting

We specialise in all types of outdoor and pool lighting. We like to work closely with our clients to achieve the most suitable lighting scheme for your outdoor living spaces.

### Level 2 Services

We are level 2 accredited with Ausgrid and can upgrade meters, point of attachments, consumer mains, meter amalgamations and all other Level 2 electrical requirements.

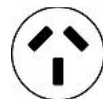

### LED Specialist

Our electricians are very knowledgeable in LED technology and have extensive experience in the globes and types of suitable fittings.

### Kitchen & Bathroom Renovation

We can come in and go through your needs or quote off a plan. We have extensive experience in all domestic and commercial electrical renovations.

### Repair/Replace/Install Electrical Fixtures

Power points, extractor fans, ceiling fans, rangehoods and much more. We can just about fix or upgrade any electrical fixture.

Call us now on 1800-763-911 for a price estimation
