

About US

Get to know who we are

With over 15 years experience, we offer fast, reliable and guaranteed services across all Sydney metro. Our tradesmen are industry approved, each fully licensed to manage all your electrical needs.

Our company mission is to provide you with the most professional and dependable electrical services available. All our work is 100% guaranteed providing not only a cost effective solution but also peace of mind for your home or work environment.

Residential

We offer a range of services for all types of homes. From minor services such as smoke alarms or new switches to the more delicate range such as consolidating control of your appliances, fittings and basic services by evolving your home into a "Smart Home".

Commercial

Our sophisticated products will suit any commercial industry. If you need lighting fixtures we have a diverse range to choose from to make you stand out from the crowd. We can install reliable alarms to monitor your store or office, providing you with security.

Industrial

We offer industry certified, industrial grade products for industrial sites. We can conduct a safety inspection of the site in order to assure each site is compliant with NSW OH&S legislation.
