## GIFT CERTIFICATES AVAILABLE

### YOU CAN BRING THESE ITEMS ABOARD THE BALLOON

We recommend bringing a bottle of water and a snack with you on this tour, and wear comfortable flat shoes. White or light coloured clothing is **not** recommended as it is easily stained by the red volcanic soil of the Tablelands

### ITEMS NOT PERMITTED ABOARD THE BALLOON

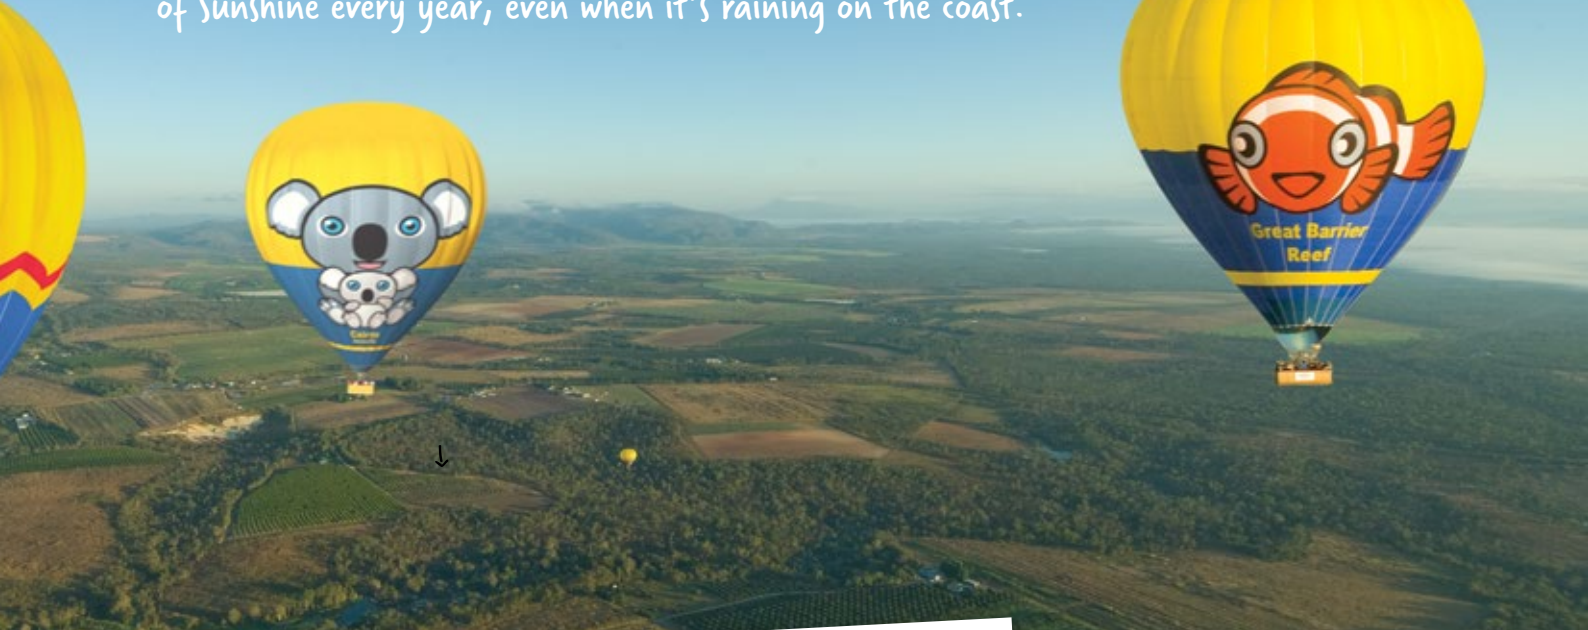

Ballooning is **not** suitable for anyone who is pregnant. You **must** be able to climb in and out of the basket unaided as this is a CASA safety regulation

# Float over the picturesque Atherton Tablelands

regarded as Australia's best ballooning location with over 300 days of Sunshine every year, even when it's raining on the coast.

In-flight souvenir photos are taken, available for purchase on a USB stick

After the first flight lands, passengers on the second flight take to the sky

Join in the fun helping to deflate and pack up the giant Balloons

## Carried by the wind, every flight is different

with our Chief Pilot choosing today's launch site from one of our many locations dotted around the Mareeba Valley.
