Commercial Painting

At Colour Life, our painting professionals have expertise in carrying out all types of commercial projects including offices, showrooms, hotels and office complexes. We know that you have a business to run, so we carry out our work to ensure there is minimal disruption to your business by completing projects on time and to budget.

Our work is carried out with strict compliance to WHS regulations, and we hold public liability insurance of \$10M for your peace of mind.

Our painting professionals are experienced in carrying commercial projects in the following areas:

- **Office space and buildings**
- **Restaurants**
- **Hotels and Accommodation**
- **Aged Care facilities**
- **Shopping Complexes**
- **Retail outlets**
- **Showrooms**

About Us

At Colour Life, we are passionate about

making your home, office or building beautiful by bringing colour to life with paint.

We have a team of highly experienced painters who take pride in providing the highest quality workmanship and professionalism.
