Strata Painting

At Colour Life, no strata project is too big or too small for us. We provide a large array of maintenance work to suit your needs. Our work is carried out with the highest quality workmanship and professionalism, to ensure the complete satisfaction of your members, body corporate and tenants.

Our work is carried out with strict compliance to WHS regulations, and we hold public liability insurance of \$10M for your peace of mind.

Our painting professionals have experience in the following strata projects

- **Strata residential estates**
- **Town house complexes**
- **Unit complexes**
- **Apartment complexes**
- **Club house and common areas**
- **Regular and one-off maintenance programs**

About Us

At Colour Life, we are passionate about

making your home, office or building beautiful by bringing colour to life with paint.

We have a team of highly experienced painters who take pride in providing the highest quality workmanship and professionalism.
