With over 25 years experience in the glazing industry, Perth Splashbacks supply and install beautifully painted, high quality, glass splashbacks at a price that can't be beaten. Choose from a huge selection of solid colour splashbacks and shimmering metallic tones to transform your kitchen or entertaining space into a work of art. Using high quality toughened safety glass designed to Australian code and standards, you can trust your splashback to be measured and installed with precision by our team of experienced cabinet makers and highly skilled professional glaziers.
