KD Instruments is an independent WA owned company that has been operating for 25 years. At KD Instruments, our staff has knowledge of Instrumentation that will provide you with the true value of instruments, that will meet your requirements, and most importantly will bring solutions to your problems. We offer a full instrument repair, calibration, commissioning and maintenance service that covers all aspects of instrumentation. KD Instruments are exclusive distributors for WIKA Australia, ECE Fast, and Elpro Technologies and are Accredited by NATA, CASA and DNV.

Roy Chisholm, General Manager.
