A **rouseabout** is strictly Australian. Americans have roustabouts. Their word first referred to workers in the circus. Australian rouseabouts are found in the country, in the bush as we call it. They are a capable lot with a wide array of skills, for those many jobs that need to be done around the place. You hire them as you need them. Now there's a **City Rouseabout**. Hire him as you need him for those many jobs that need to be done around the place.
