To Whom It May Concern

Please accept this letter of recommendation for Eco Commercial Cleaning.

I have no hesitation in recommending the services of Lee from Eco Commercial Cleaning. Lee has always been professional in all his dealings with us. He ensured that we were satisfied with his services and was always open and available for discussion. The quality of the service provided was very high.

I found Lee to be completely trustworthy and responsible. I found that he managed his employee's to ensure confidentiality and company security was observed at all times. Lee had out of hours access to two of our premises without issue.

Lee operates a business that is reliable, punctual and friendly. We have not retained the services of Lee because of a downturn in business however should the need arise I would have no hesitation in acquiring his services again.

I am available at anytime should you require any further information or verification.

Kind Regards
