- Hairdresser
- Healthcare professionals visiting regularly
- Library services
- Planned social and recreational activities including art and craft, cooking, bus trips to local clubs and shopping centres, gardening and exercise groups and visits by local school children and volunteers

Locality

Situated in a tranquil bushland location with accessible landscaped gardens and a wheelchair friendly native walking path, Clelland Lodge provides an environment of inspiration and stimulation.

Local shops are within walking distance and a bus stop is positioned at the entrance, providing easy access to the shopping centre and essential services in Nowra.

Accommodation

Clelland Lodge provides accommodation for over 120 residents, in 'state of the art' single rooms with private ensuites.

Clelland Lodge offers a full range of care including permanent, respite and 20 dementia specific beds.

Services

Our full range of care enables Clelland Lodge to offer ageing in place, so residents are able to remain here as their lives and needs change.

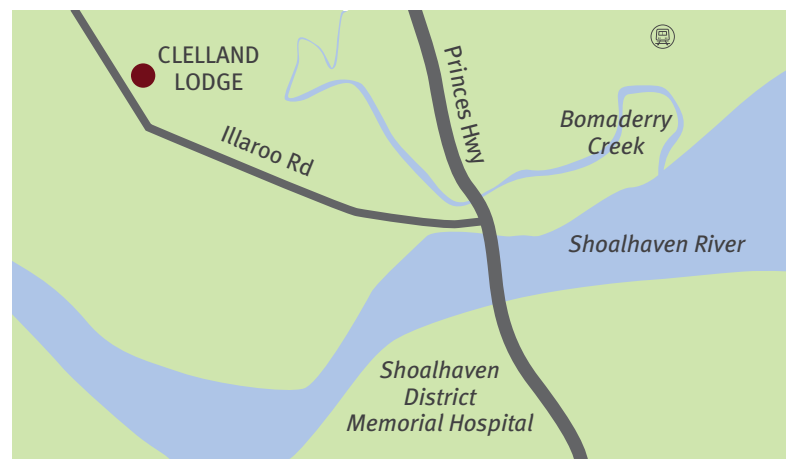

In addition to our standard services we are also able to offer specialised dementia care to 20 residents in our secure unit that has access to a specially designed dementia garden.

Healthy meals that are cooked onsite, laundry, housekeeping and personal care services are just some of the benefits we provide.

The trained, caring staff ensure that our homely environments are friendly, safe and fun, with an award-winning activities program offering something for everyone.

Our respect of different interests, customs, beliefs and backgrounds for all residents, means everybody is welcome.

We do this with joy in our hearts, so you feel the joy that quality of life can bring.

Living Care is a Ministry of Churches of Christ in NSW (Fresh Hope), working as a not for profit Christian organisation supporting local communities.

Clelland Lodge has been accredited by the Australian Aged Care Quality Agency. Management is in accordance with State and Federal Governments legislations and regulations and the service is subject to inspections by their relevant departments.
