

KMR DRILLING

Tasmania's leader in drilling services

DRILLING THROUGH EXPERIENCE... FOR OVER 45 YEARS

The company has been established for 20 years and has well over 45 years of industry experience. It currently has one of the largest ranges of multipurpose drilling rigs of any privately owned company operating in Tasmania, with the capacity to successfully undertake most drilling programs. KMR Drilling has 5 licensed drillers and a team of experienced and environmentally trained drillers' assistants. The company have an implemented OH&S policy procedure manual and staff meet all requirements to work safely and efficiently on site.

KMR Drilling also has a fully equipped workshop with a qualified diesel fitter to ensure all equipment is regularly serviced and well maintained. All maintenance is documented.
