

Handy Crew is your one-stop appliance installation solution. Our team of expert tradespeople can provide a time-saving, hassle-free installation of your purchases. Handy Crew shares the vision of the Winning Group, offering a service that caters to the individual preferences of valued customers to provide the best shopping experience in the world.

### Who we are

Handy Crew is an Australian team of appliance delivery and installation specialists operating throughout the Sydney, Melbourne, Brisbane, Adelaide, Canberra, Newcastle and Perth metropolitan areas.

The Winning Group prides itself on a successful balance of entrepreneurial spirit and old world family values. Whether you need a dryer delivered, an oven connected, or a benchtop cut to fit a new cooktop, you can trust Handy Crew's licensed professionals to provide efficient service and expert know-how. Our goal is always to impress every customer with our service, professionalism, and knowledge.

### What we can do

#### Deliver your appliances

Our team can pick up your new appliances for you, so you don't need to worry about organising your own transport.

#### Install your appliances

We can set up and install your new appliances in your home, saving you the time and effort of setting them up yourself or making separate installation appointments.

### Appliance installation

Our standard installation packages can be organised over the phone, with variations on these (adding extra benchtop cutting, water connections etc) requiring an obligation-free quote on-site. Visit [handycrew.com.au](http://handycrew.com.au) for additional information on any of our installation packages.

#### Air Conditioners

Split system and window box air conditioner installation

#### Barbeques

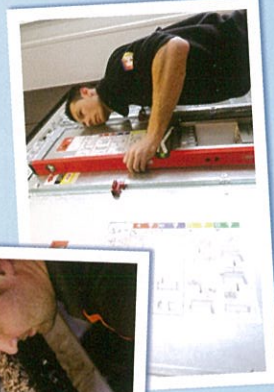

Built-in barbeque installation and connection

#### Clothes Dryers

Free standing, wall mounted and stacked dryer installation (new ducting separate)

#### Cooktops

Gas, electric and induction cooktop installation

#### Dishwashers

Standard, integrated, bench top and DishDrawer installation

#### Fridges

Integrated, ice & water, French door and side by side fridge installation (including exclusive Sub Zero fridge installation)

#### Hot Water Systems

Connection and installation of hot water systems

#### Microwaves

Microwave and trim kit installation, including convection microwaves

#### Ovens

Installation and connection of built in and upright ovens in gas, electric or dual-fuel models

#### Rangehoods

Fixed, canopy and slide-out rangehood installation (installation of additional ducting separate)

#### Taps, Sinks & Waste Disposals

Standard, pull-out and boiling/chilled tap installation, plus sink and waste disposal installation

#### TVs and AV Equipment

Cabinet and wall-mounting of TVs, setup of sound systems, and universal remote programming

#### Washing Machines

Front and top load washing machine installation, including dryer stacking

- Concealing of cables in walls or ducting for TV installs
- Reconfiguring of drainage for sink installs

## Our Delivery Service

We respect your time, so our driver will call on the morning of your delivery/installation before 10am with an approximate two hour delivery window or once only, one hour before the installation, if it's scheduled for before 11am.

## Do I need to be home?

We require someone with photo ID to accept the delivery of your goods – this can be yourself or your representative (please contact us in advance if this is to be the case). In the case of AV product purchases, the purchaser must be present and sign for the delivery, showing their photo ID.

## Preparing for your delivery/install

We're prepared to tackle any challenge to deliver your appliances, but to ensure that everything goes smoothly, we ask that you please let us know of any potential access challenges at your home, including stairs, narrow doorways, or steep driveways, before the delivery.

## How do I book a Handy Crew installation?

Simply ask your Winning Appliances salesperson to add our installation service to your order.

## Payment

In most cases, installation fees should be organised when you make your purchase in-store and finalised prior to your delivery/installation.

## Our Installation Service

Because we believe every problem is solvable, Handy Crew offers a range of different services in our efforts to not only meet the needs of, but impress every customer. We will:

- Install your appliances
- Demonstrate your appliance features
- Make sure your appliances fit with your existing cabinetry
- Clean up and remove any packaging
- Remove and disconnect your old appliances for recycling
- Perform any other work required!

Our talented team can also manage any other additional work required to install your appliances. Some of these services may require quotes – contact us on 1300 020 020 if you have any questions. Visit [handycrew.com.au](http://handycrew.com.au) for our list of standard connection install rates.
