

Have you modified your eating habits because of your teeth? Do you have bad breath? Do you have that nagging feeling that you have a tooth or gum problem but have been too afraid to seek help?

At Chapel Gate Dental, we make you feel comfortable and welcomed. **You** are the priority and we do our best to take the anxiety out of dentistry. With high quality equipment, immaculate infection control and a modern up-to-date approach to dental health, the team at Chapel Gate Dental will give you the confidence to smile.

At Chapel Gate Dental, we practise all aspects of general dentistry including crown and bridgework, implants, root canal treatment, periodontal management, whitening, denture work and important preventative treatment for your children's growing teeth.

Emergencies seen promptly!
