Concrete Floors Particle Board Floors

- ❖ Most timber flooring types can be laid over these hard surfaces.
- ❖ Pre finished floating floors, Parquetry and Direct Stick are an ideal solution for these surfaces.

Damaged Flooring

- ❖ We repair your damaged floors. Creating a fresh new look.
- ❖ We Sand and Polish for a bright new look.

Old Carpets

Discover what lies beneath....

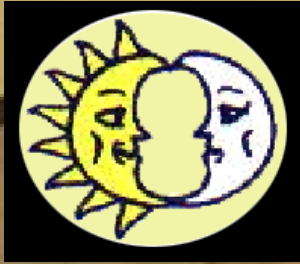

You may find under your old looking carpet that you have a timber floor.

You will not believe how much a room improves by ripping out the carpet and giving the floor a bright new look.

Renovations

- ❖ Tired of your existing floor?
- ❖ Want to change the style and feel of a room?
- ❖ There are many advantages of a timber floor:
 - Ads more light to a room.
 - Very easy to clean.
 - Cool in summer.
 - Ad rugs for a warmer feel in winter.
